### About the Classes...

Welcome to the elegant world of Early Dance! You are invited to join us & discover the dances of the European courts from centuries past. Thanks to early treatises & notation, we are able to bring to life many ballroom & stage dances from the Renaissance & Baroque eras.

Far from being dusty and sober, this repertoire offers the pleasurable challenge of dancing to lovely music while learning about the social, musical and aesthetic context of the dance.

Our classes cover a range of dances and styles. Taking part is an enjoyable and informative experience for anyone with a passion for early music, period drama, social history and the European dance heritage.

**Beginners' Classes** focus on dances such as the Pavane, Galliard, Allemande & Branle from European courts of the 16th century, & English country dances from 17th to 18th centuries.

During the year, students will be introduced to the noble baroque dance style from the court of Louis XIV of France. Epitomised by the Minuet, Gavotte and Sarabande, this laid the foundations for classical ballet technique.

\*\*No partner or previous experience required. Classes begin with warm-ups & stretching, and the dances provide both physical and mental exercise ranging from gentle to vigorous, in a relaxed and friendly environment.

**Advanced Classes** are by invitation, for students with prior dance training or experience in early dance.
